

# Referral Guide

for private and NHS patients

January 2019

**New Hall Hospital**

Part of Ramsay Health Care

# About New Hall Hospital

Situated in 14 acres of quiet, landscaped parkland just two miles south of Salisbury, the Georgian Manor House was opened as a hospital in 1980 and currently has 32 patient beds. Part of the Ramsay Health Care group, New Hall Hospital has been serving the community for over 35 years. With refurbishments completed in 2016 and 2017, the hospital now has an in-house MRI suite, four theatres, including a specially designed state-of-the-art spinal theatre, a new 8-bay day case unit, an ambulatory theatre, a new car park and a re-furbished outpatients department. By investing in advanced medical technology, the hospital is able to offer a wide range of medical and surgical services including: orthopaedic and spinal surgery, cataract surgery, cosmetic surgery, treatment of varicose veins, general surgery, gynaecology, urology and podiatry to name a few.

- 99%** of our patients agreed that they were **treated with respect and dignity.**
- 98%** of patients feel they were involved in decisions **about their care and treatment.**
- 0%** We have had 0% reported **MRSA Bacteraemia** since 2010.
- 100%** of patients would **recommend us** to a friend or family member.
- 100%** of patients say they have experienced a **friendly welcome at New Hall Hospital.**

New Hall Hospital does not treat patients under 18 years of age.

Clinics all available under E-Referral system or Telephone 01722 422 333 ext. 109

Back pain and spinal surgery | Cataract | Cholecystectomy and gallstone | Colorectal surgery | Foot and ankle | Foot only | General ENT | General gynaecology | General urology | Hand and wrist (plastics) | Hand, wrist and tennis elbow clinic | Hernia repair | Hip and knee inclusive replacement | Knee arthroscopy | Podiatric and bunion | Shoulder and elbow | One stop haematuria

When referring a patient to New Hall Hospital, please remember:

- to include the patient's BMI
- to include their NHS number, even for private referrals
- to state whether the patient has had previous imaging, eg x-ray, at another hospital. Please include date and where image was taken and our radiology team will request a copy of it prior to the patient's appointment.

## NHS referrals

### Via NHS E-Referral system

NHS referral enquiries:

**01722 422 333**

**Extension 109**

### Benefits of New Hall Hospital

-  **Choice of appointment time**
-  **One dedicated consultant throughout treatment**
-  **Freshly prepared menu and catering for special dietary requirements**

-  **Free wifi**
-  **Free parking**

### Educational events for healthcare professionals.

New Hall Hospital runs regular educational events for GPs, nurse practitioners and allied health professionals. There is no charge for these events and they contribute to your CPD.

To register for an educational event, please go to <https://www.newhallhospital.co.uk/referral-zone/gp-events>

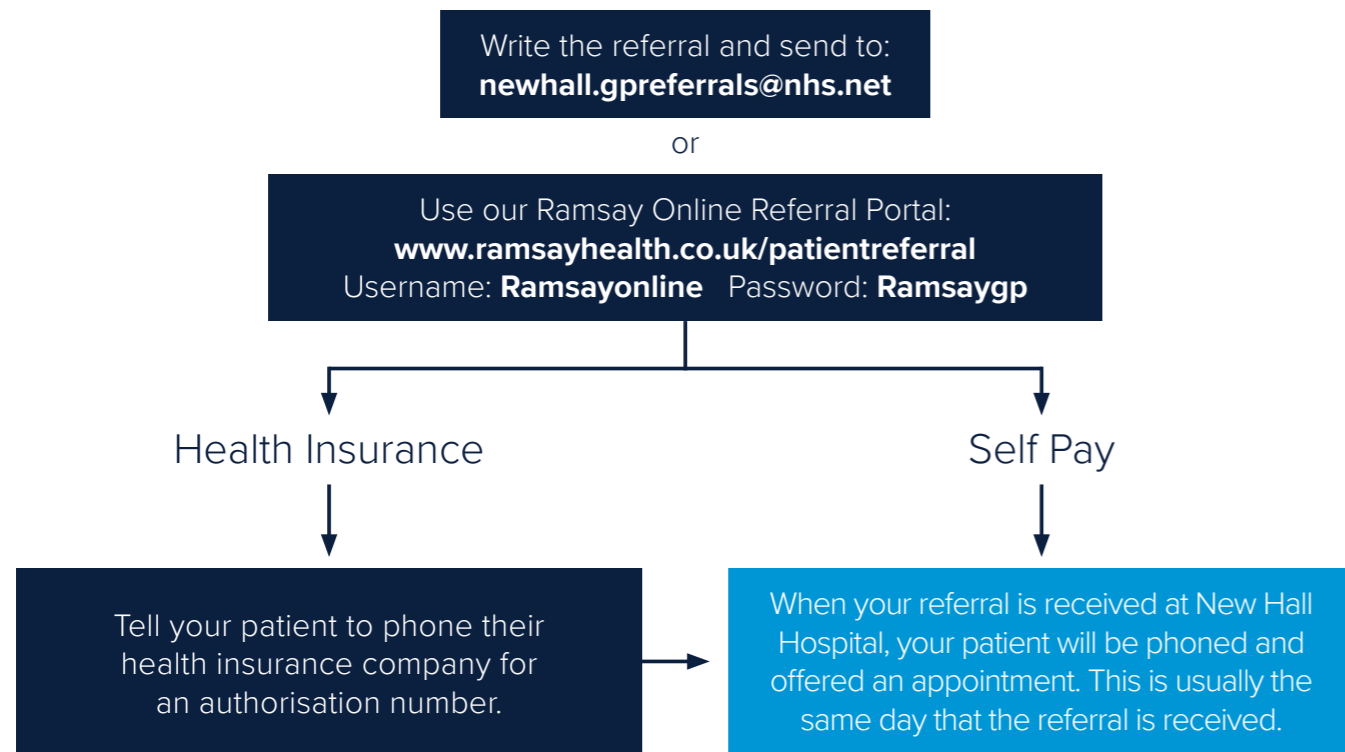

### Open events

New Hall Hospital offers complimentary consultant appointments for patients considering self-funded cosmetic surgery, including varicose veins and bunion surgery. For a schedule of our open events, see our website: [www.newhallhospital.co.uk/events](http://www.newhallhospital.co.uk/events)

# How to refer a private patient

Most private appointments require a GP referral. All MSK consultants are happy to see self-funding patients with a referral from an MSK healthcare professional, eg. physiotherapist, chiropractor, etc. Some consultants are happy to see self-funding patients with no GP referral. For specific information, patients should phone **01722 442 301**.

Referrals can be made to a named consultant or it can be an open referral. Please include NHS number on private referrals. When an open referral is received, a member of our private referrals team will phone your patient and offer them a choice of appointment and consultant.

Finance is available for self-funding patients. More information is available on our website: [www.newhallhospital.co.uk/patients/private-patients/self-pay/finance-options](http://www.newhallhospital.co.uk/patients/private-patients/self-pay/finance-options)

### New Hall Hospital online

The New Hall Hospital website now contains a Referral Zone for healthcare professionals, which includes referral information, our service directory and information about self-funded treatments. [www.newhallhospital.co.uk/referral-zone](http://www.newhallhospital.co.uk/referral-zone)

### Social media

We welcome you and your patients to follow us on Facebook and Twitter:
